

Dear Rocky Mountain Middle School Parents and Families,

It is with great pleasure that I write this letter and introduce myself as the new principal at Rocky Mountain Middle School. I hope this finds you enjoying summer and that your children are getting themselves recharged for the upcoming school year. I wanted to reach out to you with a little introduction to my family and myself.

My wife and I have four children and fourteen grandchildren. Idaho Falls and Bonneville Joint School District 93 have been our home for the entire time we have lived in Idaho. I started my teaching career at Bonneville High School and taught there for fourteen years. While there I taught Spanish, World History, Driver Education and an Outdoorsman class. Four years of that time was as the District Driver Education coordinator as well. After my time at Bonneville High School, I became the Assistant Principal at Sandcreek Middle School and have been there for the past eleven years.

This is an exciting time at Rocky Mountain Middle School, as you may have noticed there has been a tremendous amount of construction at the school. We have a new parking lot on the corner, new stucco on the outside, new wallcoverings on the inside and a few other minor construction projects as well. We are also in the process of gating off the rear of the school to give the students a safe place to play and enjoy some fresh air without having to worry about traffic.

I am truly humbled by and grateful for the opportunity to be the principal of such a great school as Rocky Mountain Middle School and join the team of dedicated educators, parents, and students. I look forward to meeting you and your students during registration and when school gets back in session.

Sincerely,

Kent Sawyer
